**Patient Name:** \_\_\_\_\_ **Patient Number:** \_\_\_\_\_

**Appointment Date:** \_\_\_\_\_

You have two options to pay for elective services, such as an IUD or Nexplanon.

- 1) Pay in full. We require you to pay with cash, check, or credit card prior to insertion. If you have insurance, we will still send a claim. If they process your claim and cover the services, any remaining amount will be refunded to you.
- 2) Credit card on file. Complete this form with your credit card information. It will be held securely until your insurance(s) have paid their portion and notified us of your share. You should also receive an Explanation of Benefits (EOB) from the insurance company and remaining balance owed by you will be charged to the credit card provided. We bill the credit card for your share on the 10<sup>th</sup> of every month after insurance processes (or the next business day if the 10<sup>th</sup> is on a weekend.) A copy of the charge will be mailed to you – we will not call you prior to charging your credit card.

**I have read the above and realize that I am ultimately responsible for the cost of my care. I authorize Dubuque Obstetrics & Gynecology, P.C. to charge my credit card for expenses incurred related to the services referenced below. I will receive a copy of all charges.**
